

VISITOR HEALTH AND HYGIENE POLICY

Welcome to our Sugarhouse!

Food Safety is a priority so please review and follow the visitor policy and sign the log book.

- 1.** If you are ill, please come back another day to visit us. If you have diarrhea, jaundice, fever, sore throat, or are vomiting, you will not be allowed to enter the farm or packinghouse.
- 2.** Please remove all jewelry and place in a pocket. If this is not possible, let your host know so an alternative safe storage spot can be provided. It is okay to wear a plain ring that does not contain a stone or jewel.
- 3.** Please wash your hands at the beginning of your visit as well as after using the restroom or eating. A bathroom and handwashing facilities are available to you.
- 4.** Eating is permitted only in designated areas. If you have any questions about the location of these areas, please ask your host.
- 5.** Smoking is not allowed on our farm.
- 6.** If required, please wear all protective gear provided for you.
- 7.** If you are injured, tell your host immediately. Please let your host know if any blood or bodily fluid has come in contact with any surfaces or sap, so we can clean the area and properly dispose of the contaminated product.
- 8.** Animals are not allowed on the farm, unless they are service animals. To reduce food safety risks, service animal access may be limited in areas where syrup packing occurs.
