

Sugar Maker of the Year Award

The Sugar Maker of the Year Award is presented annually to a Vermont sugar maker and is nominated by the Vermont Sugar Makers Association Board of Directors plus any standing committee chairs not on the Board. The VMSMA Board selects a Vermont sugar maker, individual, or family who sets a good example for other sugar makers to follow in cleanliness, food safety and production practices. In addition, nominees for this award help the maple industry by participating in county and statewide fairs to promote and educate future sugar makers and the general public on the benefits of pure Vermont maple syrup.
